

KINGMAN YACHT CENTER

2009 SUMMER SLIP AND MOORING APPLICATION

Thank you for your interest in keeping your boat at Kingman Yacht Center next summer. We are pleased to consider your application. As you know, slips and moorings are in extremely limited supply on Cape Cod and KYC has been sold out season after season. Since last summer's guests have rights of first refusal, we will not know of our availability until we hear back from these boaters – usually by mid-January. Applications from new boaters will be evaluated based upon the “fit” between the boat and any available space at the marina.

Your **\$200 Application Fee** will be applied to your slip or mooring charge if we are able to extend an invitation for next summer. If we do not find a place for you by March 31st, or if you wish to have your application withdrawn from consideration and notify us in writing, your Application Fee, less a \$20 handling charge, will be promptly refunded.

PLEASE NOTE that if you do not ask to have your application withdrawn, if we notify you of an availability and you decline our invitation to rent the available space you will forfeit all of your application fee.

We hope to see you next summer!
